Describe the usability problem discovered (3) _____

Describe alternatives to design to fix problem (3) _____

Explain and justify solution (3) _____

Quality of Presentation (1) _____

Total Presentation _____

Written Report (90%)

Design after usability inspection (5) _____

Documentation related to usability testing (20 total) _____

Description of usability testing goals (3) _____

Usability specifications (3) _____

Participant selection procedure (2) _____

Informed consent form (2) _____

Background survey (2) _____

General & task-specific instructions (3) _____

User reaction survey (5) _____

User Observation study (10 total)

Description and effectiveness of videotaping (3) _____

Summary of usability incidents observed (2) _____

Summary & discussion of survey responses (5) _____

Discussion of usability problems discovered (30 total)

Discuss in detail the usability problems observed (15) _____

Discuss & document changes to improve usability (15) _____

TURN OVER!

Group:
Group members:

Comparison with the usability specifications (10 total)	
Compare usability against various measures (time etc) (5)	_____
Describe & document the relevant changes to design (5)	_____
Design after usability testing and analysis (5)	_____
Quality of Written Report (10)	_____
	Total Report _____
	Total Exercise #6 _____

COMMENTS:

TURN OVER!
