

CIS170 - Assignment 2
Due 7/1 by 11 pm

- (10 points) 1. Create a web page that resides remotely within your UOregon account.
- (3 points) 2. Upload a picture of you to your UO directory and use it in the webpage.
- (3 points) 3. Create a table in your web page.
- (3 points) 4. Give your webpage a title in the <head> section and use <h2> in the body to make that title the first "header" line of your webpage.
- (3 points) 5. Put a link inside the table that routes users to your blog.
- (3 points) 6. Create an unordered list outside of the table that lists some (5) of the important pieces of Internet history from chapter 3. See book or reference slides.
