

**CIS 640: Writing in Computer Research**  
**Fall 2012**

**Assignment #4**  
***Review of peer's Personal Writing Project***

DUE: November 13, 2012 10am (Tuesday class). Hand-in TWO copies of printed version to Prof. Douglas.

The purpose of this second assignment is to review a peer's Personal Writing Project (Assignment #3). Prof. Douglas will assign the reviewer(s) to a paper.

You should use the format and contents that were described in Assignment #1 where you reviewed a published conference paper. In addition, you can write any editing corrections that you see, or comments to the author that aren't covered in the more formal review.
