CIS 640: Writing in Computer Research
Fall 2012

Assignment #5
Oral Presentation of Your Research

Due: November 20, 2012, 10 am (or before if you prefer)

The fifth assignment will be a 5 minute presentation of your current research or what you wrote about for Assignment #3. Try to follow the suggestions of the text (Chap 14) as well as our discussion in class about Powerpoint, etc. Email me your Powerpoint slides (if possible) for display from my Mac laptop to avoid wasting time hooking up each different computer. Or bring them to me beforehand to check that they work and pre-load them.

Please send me a pdf copy of the slides at douglas@cs.uoregon.edu
