

## Teammate Peer Evaluation

Your name: \_\_\_\_\_ Date: \_\_\_\_\_

Team name: \_\_\_\_\_

### Instructions:

1. Write your teammates' names in the left column.
2. For each criteria, rate each teammate, from best ("10") to worst ("1"). No numerical rating should appear twice in a column. For example, only one teammate should get a "10" for "Productive."
3. Then rate yourself on the same criterion, using any numbers from "1" to "10".

Teammates' Names	Criteria		
	Productive	Dependable	Easy to work with

"10" = best  
"1" = worst

But only one "10" in each column, one "9" in each column, and so on.

<b>Rate Yourself:</b>			
-----------------------	--	--	--

Use any numbers from "1" to "10".

Optionally, feel free to add any additional comments regarding your teammates:
