THIRTEEN YEARS OF LEARNING FROM MICHAEL JACKSON

Pamela Zave

AT&T Laboratories—Research

Florham Park, New Jersey USA

SOME THINGS I LEARNED FROM MICHAEL

WHAT TO SAY . . .

. . . after asking the staff of a restaurant to turn the music down, and being told, "We can't, the customers like it."

(possibilities too numerous to list)

WHY THE WORD "MULTIPARADIGM" IS BAD

"Multi paradigm" is a chimera.

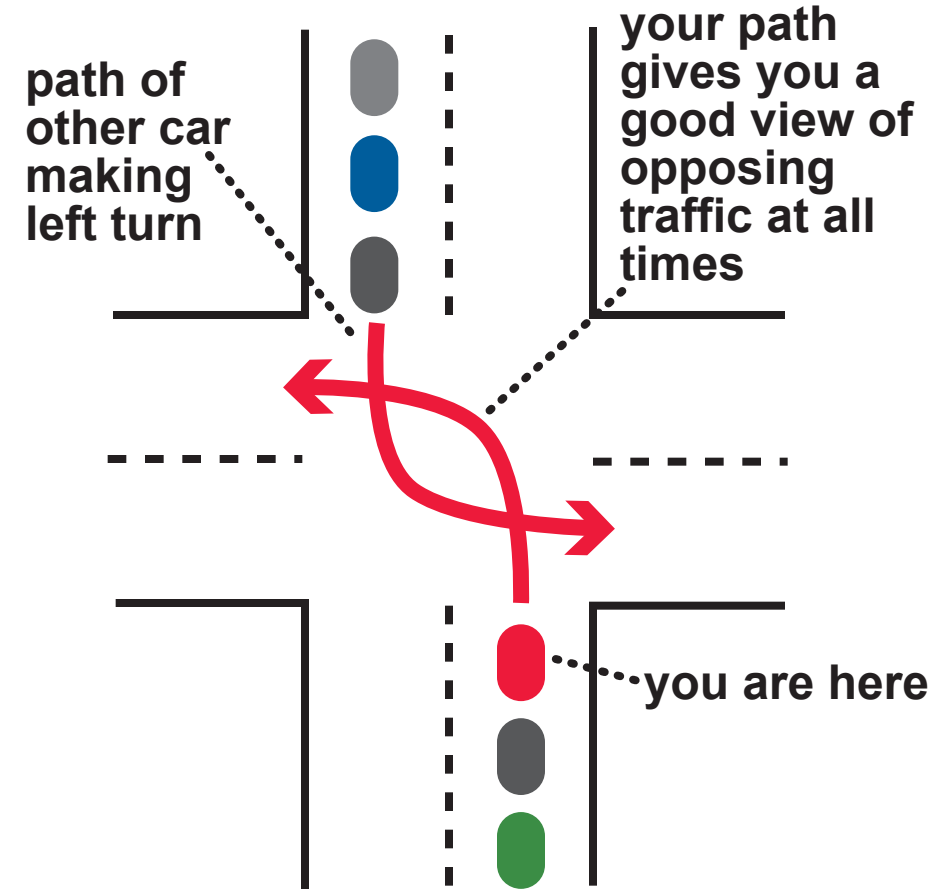

Latin origin

Greek origin

an imaginary monster compounded of incongruous parts

Start using "polyparadigm".

HOW TO MAKE A LEFT TURN, WHILE DRIVING IN NORTH AMERICA

(despite his many efforts to persuade us, no one at AT&T Research has ever had the courage to attempt this)
