

US Domestic Wire Transfer Information

(Submit this form to the originating bank.)

Check with the originating bank for the amount of any service charges. Please remember to add this amount to the currency amount so that the University of Oregon receives the full amount owed.

To send a wire transfer to the University of Oregon, provide the originating bank with the following information, including the purpose. The bank account referenced is for the entire government of the State of Oregon, so **mistakes in the purpose field may make it impossible for OPLSS to access the funds.**

State of Oregon, acting by and through the State Board of Higher Education, on behalf of the University of Oregon
